**Unanimous : I Hate Ann Coulter!** before purchasing it in order to gage whether or not it would be worth my time, and all praised I Hate Ann Coulter!:

9 of 12 people found the following review helpful. Not helpful in understanding Ann Coulter By A. Spivey It's a tiny book with lots of snarky humor -- including ugly stuff about her appearance and personal life -- stop it already! The Maguire book, "Brainless: The Lies and Lunacy of Ann Coulter" does a much better job in explaining who and what Ann Coulter is. 1 of 1 people found the following review helpful. A RATHER SCATHING SATIRICAL ASSAULT ON THE CONTROVERSIAL COMMENTATOR By Steven H Propp This brief 2006 book is a wide-ranging (though not particularly deep) assault on the intentionally "over-the-top" political commentator. Sections of the book range from the serious (e.g., "Her Column Was Dropped: By National Review, in 2001, after she responded to the 9/11 attacks in a column by writing, 'We should invade their countries, kill their leaders and convert them to Christianity'"), to the satirical ("How to Talk to Ann [If You Must]"), to the ludicrous ("How to Talk Like a Porn Star"). There is some

documented material herein; for example, her plagiarism in her book *Godless: The Church of Liberalism* and her weekly syndicated column (pg. 15). There is also some rather silly stuff (e.g., "I hate Ann Coulter. There. I said it. Now I want you to try it"; pg. 54). There are more detailed and analytical critiques of Coulter out there, but this one will do for those looking for a "quick fix." 0 of 0 people found the following review helpful. Hate-filled trash By MosheSpews hate and lies. Can't stand the bare naked truth of a conservative woman. (It's ANONYMOUS by the way!!!)

"These broads are millionaires, lionized on TV and in articles about them, reveling in their status as celebrities and stalked by grief-arazzis. I've never seen people enjoying their husbands' deaths so much." -- Ann Coulter on 9/11 widows in *Godless: The Church of Liberalism* At first we thought she was amusing. Disrespectful? Yes. But that mouth of hers was sassy, and we kind of liked it. Unfortunately, she turned out to be a fatal attraction, a political "bunny boiler." By the time she insulted the 9/11 widows, we were over her -- the Cult of Coulter wasn't funny anymore. *I Hate Ann Coulter!* is the first step toward ridding ourselves -- as a country -- of Ann Coulter. By examining her life and writings, interviewing high school classmates who remember Ann when she was a chubby brunette (presumably before she sold her soul to be thin, blond, and pure evil), and chronicling her "Black Tuesday" (6/6/06) Today show appearance, when she stopped pushing the envelope and simply set it on fire, we hope to do our part to put her in her place once and for all.

About the Author Unanimous is all of us, stateside and abroad, who have come to our senses and want Ann Coulter out of our lives.
