Jim Norton : I Hate Your Guts before purchasing it in order to gage whether or not it would be worth my time, and all praised I Hate Your Guts:

This New York Times bestselling author may hate your guts, but you'll be laughing too hard to care in this blisteringly funny collection. What do Steve Martin, The Reverend Al Sharpton, and Dr. Phil have in common? Jim Norton hates their guts. In his deviant pseudo-memoir *Happy Endings*, Norton delivered his uncensored and controversial brand of humor on everything from his affinity for hookers to his romantic woes. Now, he unflinchingly spews his thoughts on everyone from the bully he despises from high school, to Hillary Clinton and Al Sharpton. Offensive, brutally honest, and most important, sidesplittingly hilarious, *I Hate Your Guts* features 35 essays showcasing the candid, outrageous brand of dirty comedy that has earned him legions of devoted fans both on the radio and on the road.
