**Tucker Max : I Hope They Serve Beer In Hell** before purchasing it in order to gauge whether or not it would be worth my time, and all praised I Hope They Serve Beer In Hell:

5 of 5 people found the following review helpful. Funny, but not if you get offended easily By Whitney S. I read this book as a recommendation from a friend and thought it was pretty hilarious. I did find myself skimming at times to get through some of the boring stuff and find the entertaining parts of the stories. This guy is vulgar and explicit and that's exactly what I expected when picking this book up. Don't read this if you're going to get all offended over how he talks

about women (he's very degrading!) or how he discusses his sexual and drunken experiences in vivid detail. I'm a woman and took it for what it was - true stories written by a guy who considers himself to be a jerk. 0 of 0 people found the following review helpful. Recommend - with limitations

Disgusting, but a guilty pleasure. I read this years ago, I was disgusted and yet laughing my @ss off at the same time. Definitely not a book for the light hearted, but if you are in your early 20's or can remember your early 20's and those years were filled with partying and stupid misadventures that you reflect fondly upon or are currently in the midst of - this book might be for you. Take note ladies, this guy is a misogynist pig, the things he does to women will disgust you, but then again - there are some laugh out loud, tears running down your face moments that make the read worth it. 0 of 0 people found the following review helpful. Should you be laughing at this? YES... YES YOU SHOULD

If your sense of humor is a bit dark and you can laugh at an alcoholic womanizing guy tell you all about his sexual escapades, then this book is for you. Tucker Max is one of the funniest authors out there then again I tend to lean towards the dark, messed up humor... you know the kind that leaves you asking your self "should I be laughing at this?" Its a really easy read because most of it is short stories that are all connected with primarily the same characters - Obviously Tucker (he's the star of his story) and a handful of his friends and the guest character is always some girl.... and he wrote every embarrassing detail. Treat yourself to a good laugh

"My name is Tucker Max, and I am an asshole." With these words Tucker Max launched a classic humor bestseller that has sold more than two million copies in the US and hundreds of thousands more throughout the world. I HOPE THEY SERVE BEER IN HELL was on The New York Times bestseller list for five years including the #1 position. The new edition, released in September 2015, includes a new 6-page Afterword that will delight Tucker's fans. In it he describes his life in the 10 years since the book was first published, including his marriage and becoming a dad. His anecdotes are, as always, funny and revealing, told in the unique voice that millions of readers have come to love. Actual reader feedback: "I am completely baffled as to how you can congratulate yourself for being a womanizer and a raging drunk, or think anyone cares about an idiot like you. Do you really think that exploiting the insecurities of others while getting wasted is a legitimate thing to offer?" "Thank you, thank you, thank you--for sharing with us your wonderful tales of drunken revelry, for teaching me what it means to be a man, for just existing so I know that there is another option; I too can say 'screw the system' and be myself and have fun. My life truly began when I finished reading your stories. Now, when faced with a quandary about what course of action I should take, I just ask myself, 'What Would Tucker Do?'--and I do it, and I am a better man for it." "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you." "You are the coolest person I can even imagine existing. If you slept with my girlfriend, it'd make me love her more."
