Sharon Eliza Nichols : I Judge You When You Use Poor Grammar: A Collection of Egregious Errors, Disconcerting Bloopers, and Other Linguistic Slip-Ups before purchasing it in order to gage whether or not it would be worth my time, and all praised I Judge You When You Use Poor Grammar: A Collection of Egregious Errors, Disconcerting Bloopers, and Other Linguistic Slip-Ups:

4 of 4 people found the following review helpful. say this would be about poor grammar. It came off peevish and snippy rather ...By Eileen McHenry Most of the errors in here were not grammatical, which you would think might be important to the authors who did, after all, say this would be about poor grammar. It came off peevish and snippy rather than funny. 4 of 4 people found the following review helpful. May be good for grade schoolers By Weelll... Repetitive types of signs: many misspellings, several misused quotation marks, apostrophes, etc. They weren't particularly amusing. The comments about each were not very clever - mostly just pointed out what was wrong in the signs (e.g., "the plural of 'knife' is knives"). May be good for later grade school kids for grammar and punctuation. 4 of 4 people found the following review helpful. Its Boring By Max Get it? Actually, most of these photos are misspellings of "its" or "their/there/they're". Really repetitive. I'm sure there are better ones out there. Even the author's comments are tedious.

Correct grammar and proper spelling can be a challenge, and their absence can be a source of gleeful humor to everyone but the victim of a bad grammar attack. How do you react to sandwich boards, road signs, laminated instructions, and other written missives that are just not exactly what their creator meant? If you've ever (gently) judged anyone else for their linguistic failures, if you find yourself guffawing about the frequent confusion between

"incontinence" and "inconvenience," if you've ever been tempted to whip out your marker to add in or cross out apostrophes, and if you've refused to answer e-mails in which "your" and "you're" are used interchangeably, this book is for you. With pictures culled from the Facebook group by the same name, I Judge You When You Use Poor Grammar is a hilarious and eye-opening tour through restaurants and shops, through parking lots and along winding roads, and around the world.

About the Author Sharon Eliza Nichols created the Facebook group I Judge You When You Use Poor Grammar, which boasts more than 350,000 members and 7,000 photos of misspelled and ungrammatical signs. Sharon has been featured in the New York Times and the Wall Street Journal and lives in Tuscaloosa, where she is a law student at the University of Alabama.
