Mr Paul Brennan : I'll Have The Law On You: The Selected Letters of John Fytit before purchasing it in order to gage whether or not it would be worth my time, and all praised I'll Have The Law On You: The Selected Letters of John Fytit:

This is the first major edition of John Fytit's* works and is as close as we will come to the autobiography that he never

wrote. Readers of his legal advice column will have followed Fytit's journey from embittered sole practitioner to liberated and unrestrained legal adviser. His thirty years' experience in legal misfortunes equipped him to give the public the legal advice they truly desired. Variously known as a Legal Agony Aunt and Legal Agony Ombudsman, his ambition to be a Legal Agony Commissioner was cut short. *Pronounced "Fight it" and not "Fit it".
