My friends and I just kept laughing and singing! It's so clever and wonderfully illustrated that you'll pull it out in every season, not just the holidays. These are

real re-workings of common carols so you'll also be able to sing along with no problem. I really love this book and you will too.

Do you love Christmas? Do you love pirates? If so, then this collection of pirate Christmas carols will really shiver your timbers! Sing along with Saucy Nick and Fingerless Dan as they spread joy and terror throughout the seven seas. Songs like "Ahoy to the World!" and "All I Want for Christmas is a Mutiny" will make the holiday blues walk the plank and give no quarter to your funny bone!
