helpful. Lots of laughs! By A Customer Heim is a delightful humor writer. I found her book warm, witty, and fun

If you're desperate for a laugh at the expense of your PC, the wait is over. Here's your chance to poke fun at your machine and at the people who cheated them. Designed to be read either in snippets or in one sitting, it's filled with offbeat tips and vignettes, ranging from how to keep from weeping over your PC, to details of finding love in cyberspace.

"I Lost My Baby is a funny book whether you work in the industry or are barely computer-literate. Get it." -- Computer Currents, October 1995 About the Author Heim, is a columnist for PC World and prolific writer on needlecrafting.
