Woody Paige : I'm Almost Out of Cha: Woody Paige's Chalkboard Tales before purchasing it in order to gage whether or not it would be worth my time, and all praised I'm Almost Out of Cha: Woody Paige's Chalkboard Tales:

2 of 2 people found the following review helpful. Chalk Board TalesBy Larry WinnThe old stories bring back a lot of memories from childhood and college. Since Woody was my fraternity brother and roommate for a quarter, it is easy to relate where he is coming from. He was always very creative and wrote a lot of "off the wall" articles for the Daily Beacon(Bacon) which was the UT newspaper.0 of 0 people found the following review helpful. Facetime for Paige!By

Robert Sweeney Woody's quotes are great, even the one's he has "recycled" from places where I'd seen them before (or maybe they were recycling his quotes). I also like the life story and anecdotes he includes in each chapter. The only problem at all with the book is that I read the whole thing in just over an hour. I'm sure I'll read through them again though when I need a laugh. 0 of 0 people found the following review helpful. Woody Paige Wins Again By Silverstone I was interested in reading more of Woody Paige's writing, having been exposed to his Chalkboard writings on Around the Horn. I thought this was pretty good overall. It has a nice mix of anecdotes and Chalkboard sayings. I'm glad I read it.

Before there was Facebook, before there was Twitter, there was Woody Paige's Chalkboard. Compiled here are nearly 2,000 quotes that have appeared alongside Woody on that trusty chalkboard; some witty, some witless, and all under 140 characters. I'm Almost Out of Cha: Woody Paige's Chalkboard Tales chronicles Woody's favorite quotes and asks the \$1,000 question; how does he come up with them??? Woody also goes behind the scenes of being a sports journalist, giving readers a glimpse into the greatest job in the world.

"Here's another one for the chalkboard: Read this Damn Book." Jon Wertheim (Executive Editor, Sports Illustrated) About the Author Woody Paige is a sportswriter for the Denver Post who has attended over 10,000 sporting events. He's one of the most recognizable faces on ESPN, having appeared on Around the Horn for over 12 years. Woody is quick to note that the real star is the chalkboard.
