The vintage pictures are wonderful and the humor is wonderful with just a hint of sassy. I will definitely be on the look out for more books or item by this author. I knew that the humor from this author would not be run of the mill, you have to be a little saucy to enjoy it. This would make a great gift for that smart-aleck friend or for yourself.0 of 0 people found the following review helpful. Anne Taintor Does It Again...By ShieldmaidenFull of laugh inducing thoughts! The juxtaposition of the snarky alongside the "idealized" images is fantastic.0 of 0 people found the following review helpful. PerfectBy ccMother loved it!

Hot on the heels of Anne Taintor's wildly popular first collection, I Can't Be Good All the Time, this hilarious volume brings together Taintor's best-loved images, plus brand new material sure to prompt a knowing snicker, all celebrating the follies of family, home, and hearth. As always, Taintor's sassy creations -- vintage illustrations paired with witty new and impertinent observations -- inspire deliciously less-than-well-mannered thoughts ("Gosh, he went well with her drapes."). These sharp-tongued favorites are sure to please her devoted fans and newcomers alike.

About the AuthorAnne Taintor is a relatively good girl with a slightly checkered past. She now lives in a straw-bale

house in rural New Mexico.
