DelauroI find Ken Davis to be highly entertaining, he is never raunchy, has great personal stories and good insight on life. Always funny, always makes a Christian think. 1 of 1 people found the following review helpful. Great!By Lisa J. MillerIt's really worth listening too, but would be much better with visual. I got it for my husband - he's on the road quite a bit. But it definitely would be more enjoyable in dvd format. Some of the jokes you can't quite understand without being able to see Ken's actions. 0 of 0 people found the following review helpful. Five StarsBy Aaron ArehartFunny!!!! Love it!

Two live performances in one new compilation! I'm Not Okay!: Who, but a wise guy would engineer some of the stunts Davis has pulled and then have the audacity to talk about them? Like the time he shot a screwdriver through the ceiling of his kitchen with an M-80 firecracker. And who else would have an international collection of airline barf bags? Here's some of the best comedy you've ever experienced. And it's all wrapped up in a message of hope that can change your life forever. Is It Just Me?: Ken Davis offeres some of his funniest material to date during an appearance in the heart of Dairyland. One of America's favorite speakers, Ken joins Wisconsin's famed "cheesheads" for a brilliant performance that pays tributes to veterans, explores the differences between men and women, and ponders the question... Is It Just Me?
