Chelsea Fagan : I'm Only Here for the WiFi: A Complete Guide to Reluctant Adulthood before purchasing it in order to gage whether or not it would be worth my time, and all praised I'm Only Here for the WiFi: A Complete Guide to Reluctant Adulthood:

2 of 2 people found the following review helpful. Every 20 something should read thisBy KovieBWhen I first started reading Thought Catalog, I instantly fell in love with Chelsea's writing. She is witty, funny, and relentlessly honest. The book is a wonderful compilation of different areas of the twenty something life and truly expresses her views in a way that is both humorous and helpful to the reader. As I read it, I was inspired a few times to stop, take notes, and endeavor to do some of the things that she suggests in the book.It was an easy, enjoyable, and entertaining read -

finished it in less than 2 days. I pretty much want to get all my friends copies for their birthdays/Christmas. Whether you're familiar with Chelsea's writing or not, I definitely recommend it for every young adult. You will learn a few things and laugh a lot while you read. And maybe even shed a tear or two in the final paragraph of the last chapter. 0 of 0 people found the following review helpful. Awesome! By Lenny I found this book because the author wrote great articles on thoughtcatalog.com and then I started following her on twitter and she's hilarious. I am an adult, but this book is just so relatable and funny! Extremely funny; which could be expected based off the previous articles I've read by the author. I couldn't put it down and I recommend it to all my friends. 0 of 0 people found the following review helpful. Endlessly charming and relatable By sarahvlegume In a conversational tone that feels rather like having drinks with an old friend, Chelsea manages to deliver the hard truths of early adulthood under a charming and approachable layer of self-deprecation. If you don't already relate to her message, Chelsea's vulnerability with her own experiences makes her a credible and trustworthy guide to tumultuous twenty-somethingness. She manages to simultaneously comfort you in the place you are currently in and inspire you to strive for something better. Can't wait to loan this puppy out to newly graduated friends and relatives.

Chelsea Fagan has felt the pressures and expectations of young adult life firsthand. Building on the success of her popular articles on Thought Catalog, her book *I'm Only Here for the WiFi* presents an honest, refreshing, and hilarious perspective on the life of a misplaced twentysomething, desperate for advice about how to survive adulthood—all while maintaining an active social life. With insights ranging from partying to finding and keeping a job, *I'm Only Here for the WiFi* is a healthy mix of commentary, humor, and real advice.

About the Author Chelsea Fagan is a writer and editor for Thought Catalog, where her articles have generated millions of page views. Her work has also appeared in dozens of French and American publications such as Grantland, The Atlantic, Slate France, and Le Monde. She can be found at faganchelsea.tumblr.com and on Twitter at @Chelsea_Fagan. Chelsea currently resides in Paris, France, and apologizes for how pretentious that sounds.
