**Jeffrey Shaffer : I'm Right Here, Fish-Cake** before purchasing it in order to gauge whether or not it would be worth my time, and all praised I'm Right Here, Fish-Cake:

1 of 1 people found the following review helpful. Delicious nonsense By A Customer I haven't read such delicious nonsense in much too long. Shaffer takes fresh look at something that you see every day, and slides it sideways into

total silliness. It's done with effortless sleight of hand, one little step at a time.

With Thurberian prose, lots of twists and turns, and a wild but not quite woolly imagination, this collection of a Portland, Oregon, writer's humorous tales are fresh, funny, and sometimes a little sad.

Mind candy that's actually good for you, high in intellectual fiber but easy to digest. Devour it in one sitting, or ration it out and savor every bite-size nugget.--Publisher's Weekly
