0 of 0 people found the following review helpful. intelligent, hilarious By William Sigelakis witty, intelligent, hilarious.

Four more episodes from the show that holds a mirror up to nature and then proceeds to give it a rather embarrassing haircut. Here it is at last, by overwhelming popular demand—Everyman's Guide to 'Mornington Crescent,' the full and unexpurgated history of the most addictive addition to Britain's cultural heritage. The mystery of this great and baffling game is finally solved with the help of Henry VIII, Claire Rayner, Shakespeare, and Beryl Bainbridge. The unflappable Humphrey Lyttelton presides over panelists Tim Brooke-Taylor, Willie Rushton, Graeme Garden, and Barry Cryer who bring their own brand of wickedly improvised fun to the proceedings. It's the authentic antidote to panel games. They're game. Are you? 2 CDs. 1 hr 48 mins.
