VarnCyanide Happiness is a strange little online comic that regularly breaks the forth wall and makes dark puns about self-mutilation, random acts of violence, murder, and sexual deviancy. It somehow manages to do this while staying fairly unserious and "light-hearted" in an extremely dark comic. The crude art actually helps play against tone. A few of the strips are lack luster and some of the "meta-gags" are done better elsewhere, but it is enjoyable.0 of 0 people found the following review helpful. Five StarsBy bdlkIf you have read the comics, buy this and support their work. This is definitely worth the price.0 of 0 people found the following review helpful. Five StarsBy FuegoSo inappropriately hilarious!

The second collection from Cyanide Happiness creators Kris Wilson, Matt Melvin, Rob DenBleyker, and Dave McElfatrick features more never-before-seen comics, more cartoons behaving badly and more of the insulting humor that fans have been waiting for! Ranking among the web's smartest and crudest cartoons, like Achewood, Penny Arcade, and The Perry Bible Fellowship, Explosm.net's massively popular webcomic would make the cast of South Park blush. Readers, get ready for a laugh-out-loud voyage to the realm of the absurd.

From the Back CoverCyanide Happiness is back! You hold in your grubby mitts the second collection from the hit online comic that was created by a quartet of depraved, inappropriate twentysomethings from all four corners of the world, and which has been compared to Family Circus by both the seeing and mentally impaired communities.Bigger, bolder, and badder than ever before, this book includes 120 hilarious, silly, and vile classics, as well as 30 brand-new strips that are guaranteed to have you in stitches. Though hopefully not literally. And for your inner child, we've included some Interactivities to keep you entertained until the day you die, or for thirty minutes, whichever comes

first. Complete with a foreword from Randall Munroe (author of XKCD), *Ice Cream Sadness* is the book that will resolve, once and for all, the answer to the eternal question: What do I get Grandma for Christmas?
