Its something we've all encountered in our day to day. The sarcasm is constantly cracking me up. IDIOTS truly are everywhere, lol. Kudos to the authors.

Ever eat? work? Shop? Use a public bathroom? or Drive anywhere? Did you ever encounter someone and say to yourself.. "What an Idiot!" Did you say yes? Did you expect a response from me? If so, I apologize. This is a book and I can't respond to you, but I 'hear ya.' "Idiots Are Everywhere" is divided into 10 sections, each filled with comical analysis and invented interviews designed at capturing the mindset of everyday people as they go about their lives and are forced to interact with others. You may never look at a normal situation again after reading this book.
