Leland Gregory : Idiots at Work: Chronicles of Workplace Stupidity before purchasing it in order to gauge whether or not it would be worth my time, and all praised Idiots at Work: Chronicles of Workplace Stupidity:

0 of 0 people found the following review helpful. Five StarsBy MELISSA D. Fisherfunny left in work bathroom everyone came out smiling0 of 1 people found the following review helpful. Funny and validating!By chb book addictI got this for less than \$2.00 and it was well worth the price. Some of the stories are LOL funny and bring back memories of people I used to work with. It definitely makes you realize that there are more of "them" than there are of "us".I've always wondered why people don't appear to have common sense - it's because they are idiots - this book proves it!It's a very quick read.0 of 0 people found the following review helpful. Idiots at workBy CustomerTHese books are good enough, but you dont want to read 6 of them back to back. light humaor at best

What's the strangest question employers have been asked during an interview? Among the responses: * What is it you people do at this company? * Why aren't you in a more interesting business? * Will the company move my rock collection from California to Maryland? * Does your company have a policy regarding concealed weapons? --from *Idiots at Work: Chronicles of Workplace Stupidity* Leland Gregory once thought crooks, politicians, and lawyers were the greatest nitwits out there, but it turns out that the working masses are packed with the dumb, dumber, and dumbest humans on the face of the planet. Gregory's look at nincompoops, *Idiots at Work: Chronicles of Workplace Stupidity*, makes it crystal clear that the world's biggest jerks are on the job. Consider these examples: * The woman who sued Eastman Kodak to improve the lighting conditions on her job...in a darkroom? * The Ontario Federation of Labor, which installed a bad boss hotline to get a handle on labor problems--only to have the system crash soon after startup because too many calls came in. * The interviewee who wore a Walkman, explaining that she could listen to the interviewer and the music at the same time. Gregory has made a career out of finding the imbeciles of the world and sharing their antics with the rest of us. His AMP humor compilations *What's the Number for 911?*, *What's the Number for 911 Again?*, *The Stupid Crook Book*, and *Hey, Idiot!* were all hilarious, but *Idiots at Work* takes the cake. The book is filled with hilarious tales of moronic managers, office idiots, stupid shareholders, daft decision-makers, poor planners, and other outstanding examples of cubical klutzes.

About the Author The jokes, wacky anecdotes, and inane quotes in Leland Gregory's Stupid-themed anthologies showcase the best of human nature at its worst. Through his Twitter handle of @ChronicStupid, Leland shares headlines, quips, and unbelievable feats of folly culled from print, online, and broadcast media around the globe. He has authored more than a dozen humor titles, including *What's the Number for 911?* and the New York Times best-sellers *Stupid American History* and *America's Dumbest Criminals*. A tireless promoter, he has made hundreds of radio and television appearances, including multiple appearances on NBC's *Today* show.
