I'm not going to say it was a bad book but for the age group the pictures were black and white and the poems could have been a little more clever. Other than that it was ok2 of 2 people found the following review helpful. Funny Poems About SchoolBy TabithaThis is another cute book that contains funny poems about school. It is excellent for use with primary students. My favorites are Dot to Dot and a Sick Day Trick. Absolutely hilarious! Great for starting the morning work and for introducing topics and concepts.0 of 0 people found the following review helpful. Great!By EbThe book came in great condition! I was a little disappointed the pictures were black and white. My students love the poems, a great addition to my classroom library!
