Thom Ross : Importance of Being Oscar before purchasing it in order to gauge whether or not it would be worth my time, and all praised Importance of Being Oscar:

0 of 0 people found the following review helpful. Lovely book By Anne Barrett Bought this for a friend as i already had it - this was a coloured version and in extremely good condition for age and price - delivery was speedy and packaging excellent would definitely use this seller again 1 of 2 people found the following review helpful. Wonderful gift for catlovers, wits and philosophers By A Customer This book has truly charming (not "cute," but very cat-like) line

drawings of a cat, accompanied by quotations from Oscar Wilde that are very apposite for a cat. It's a perfect gift for occasions when you don't want JUST a card, but a full-scale book or other present is too much. I've probably given away 10 copies in the past few years, and can think of another 10 possible recipients. (Plus, it's fun to have around for yourself)0 of 1 people found the following review helpful. A Perfect Cat with Perfect QuotesBy C. BallLove this book! I found it in a museum store and fell in love and bought it immediately. Oscar is a cat who brings to life quotes from another favorite Oscar. You'll surely find some favorite pages and smile.

A very special cat, clever quotes from Oscar Wilde and finely crafted woodcuts make this one of the most interesting cat books to be found anywhere.

About the AuthorThom Ross is a Seattle-based artist whose work appears regularly in a number of galleries throughout the West. He has also had exhibits in New York. His images of famous western events and figures have graced the covers of a number of western history books. This is his first book.
