Bradley R Newton, Brad Newton : Improse: Activities That Promote Creativity, "Gooder Grammar," and Better Punctuation before purchasing it in order to gauge whether or not it would be worth my time, and all praised Improse: Activities That Promote Creativity, "Gooder Grammar," and Better Punctuation:

0 of 1 people found the following review helpful. Just ridiculous...By RisingSkeptic...40 pages of essentially blank pages...each page has some sentences with punctuation already provided and a few "guide" words...the student has to fill in the blanks to make a reasonable sentence...maybe a useful approach but nothing you couldn't easily do yourself.

Make grammar class more enjoyable! This unique book contains 30 creative improvisational activities to help kids

learn grammar, punctuation, critical thinking, and problem solving?while still having fun! This book is similar to Mad-Libs, and children in classrooms from second grade through high school will enjoy Imrose's approaches to developing these important foundation skills. Each improvised prose activity helps kids overcome reluctance to master the basics of grammar.

"Creativity + Grammar + Fun = Improved Writing Skills. Imrose makes thinking fun." -- Janet Conroy, M.A., Consultant and Creativity Instructor
"Imrose opens students' minds to what is possible, not what's passable." -- Shawn Patrello, Cartoonist and co-founder, KidProv
"Improvisational Prose is madder than Mad-Libs. -- " E. Eddie Edwards
Creativity + Grammar + fun = Improved Writing Skills. Imrose makes thinking fun -- Janet Conroy, M.A., Consultant and Creativity Instructor
About the Author
Brad Newton has twelve years of classroom experience as a fourth grade teacher. He specializes in improvisation, and has applied this knowledge to the process of teaching. Currently he travels around the country with his drama troupe, Kidprov, teaching young students the art of improvisation.
