Post cards such a great way to send a Hello note to someone, Great if you want a coloring project that just takes little time to finish0 of 0 people found the following review helpful. By kelli casellaSuch a nice idea. I love to color and being able to send these out will be fun. My only complaint is, I wish they would have had just more random images rather than holidays, birthdays etc. But I do recommend this and I do like it.1 of 1 people found the following review helpful.
