Phil Canalin : Slow Pitch Softball - More Than Just a Game before purchasing it in order to gauge whether or not it would be worth my time, and all praised Slow Pitch Softball - More Than Just a Game:

1 of 1 people found the following review helpful. Truly more than just a game By DBCampbell A fun read for those who have participated in league sports in their local communities. The characters appear so real, that not only do you know them personally, but you know they played on your own softball team/s! In an enjoyable way, the book stirs the memories of the bond between friends and families and the love formed between the two. 0 of 0 people found the following review helpful. Five Stars By bkI play senior recreational softball and I could easily relate to the book. 0 of 0

people found the following review helpful. WilliesBy Scott R. OlsonThose days where great to be a part of and to continue with the friendships. Now a second trip maybe in the future.

What is the secret of life and what does softball have to do with it?! When William seeks his dad's advice, he is led on a marvelous journey that takes him to one important season in a lifetime of seasons for the adult recreation slow pitch softball team, the Willies. The stand-out league schedule includes pre-game festivities, game action, post-game barbeques and parties, all peppered with original song lyrics, softball-fare recipes, and some stuff you wish you just didn't know about your family. Players and friends fill the line-up card to take their cuts at retelling the complete team story. Like batters at the plate taking hacks against a junk-ball pitcher, readers will never guess the quirky directions the story takes them. But in the end, just like William, you'll find this is a tale of romance after all - a rollicking, nostalgic account of softball, family, and life. Slow Pitch Softball is more than just a game.
