Peter Pauper Press : Snapple Real Facts (Mini Book) (Charming Petites) before purchasing it in order to gage whether or not it would be worth my time, and all praised Snapple Real Facts (Mini Book) (Charming Petites):

Perfect for our purposesBy aharvey123The book was meant to be a gag gift for my boss who loves Snapple and quizzing us on the random trivia in the caps. It was very small (minibook is accurate) so getting this as a gift from 5 people took him by surprise. We tucked gift cards to some area restaurants inside to flesh out the gift. And now he doesn't have to buy a Snapple to torture us with random trivia...what did we do?!0 of 0 people found the following review helpful. Lies, not facts.By firstronThis should be called Snapple Real Bull. These are NOT facts, they are lies. If you are looking for REAL facts, don't buy this book. If you don't beleive me, Google it.1 of 1 people found the following review helpful. Well pleasedBy Rozanna WeaverVery happy with my purchase!
