Hilarious bookBy Shearminator16This is our faMILY's favorite table top read during Christmas time. Especially with all the cheesy over-sentimental people always saying "Oh, I love Christmas, Christmas this, Christmas that..." Just read a few lines from this book and give them a little Vonnegut-esque

perspective. 0 of 0 people found the following review helpful. the guys love this
By Lucy Beale I gave to my guy friends - they think it's tops. Appeals to their sarcastic side and for them, it puts more glitter on the Christmas tree.

Bah! Humbug! It's that time of year again. . . . Time to spend too much, drink too much, eat too much, smile falsely, dig down deep to try and find "good cheer," battle crowds, try to find parking in over-crowded lots, ignore surly clerks, bartenders, waiters, valets, and parking lot attendants, all in the pursuit of that moment of happiness known throughout the world as . . . dun, dun, dun: the Holidays. Has there ever been a time more suited to tapping into snark? With commentary, jokes, and quotes regarding Thanksgiving, Christmas, Hanukkah, Kwanza, New Year's; on bad presents, worse in-laws, horrible children, and much more glorious excess. Enjoy such rotten sugar plums as: • "Santa Claus has the right idea. Visit people once a year."—Victor Borge • "If someone screws up on their gift, there are seven more days to correct it. . . . No awkward explanations of virgin birth. . . . No Irving Berlin songs."—Among the Top Ten Reasons to Love Hanukkah • "What I don't like about office Christmas parties is looking for a job the next day."—Phyllis Diller Snark, *The Herald Angels Sing* is destined to be a holiday classic.
