A hilarious collection of stories about growing up as preacher's kids!The authors prove that a good sense of humor helps put everything in better perspective-including that wonderful institution called the Church.Fun cover, clever illustrations-and a theme that almost everyone in our society can relate to at some level-makes this a great impulse purchase!You will laugh until you cry as you read this "tell-all" about growing up in the church from two guys who witnessed it all from the very front row. Stories that will have you rolling in the aisles include: "Special Music: What to Do When It's Not So Special""The Day Our Dog 'King' Got Saved""The Church Softball League: Pansies Need Not Apply""The Night Chad Got on Fire for the Lord."
