Snippets of a Christian Nana is a daily dose of laughter and encouragement!By Cheryl ElliottI LOVE this book! I love how it written as a daily devotional so that the reader can receive a daily dose of encouragement, a scripture or two, and story that makes you laugh until you almost wet your pants. The author shares little snippets of her life as a Christian wife, mother, and nana...these little snippets have made me laugh and even cry at times, but I come away from reading each daily snippet feeling encouraged. This a very encouraging and uplifting book. I highly recommend it.0 of 0 people found the following review helpful. Best BookBy Frances BodycottI loved this book. Read it straight through now will go back and take my time to read it again. Laughed, cried and over all enjoyed. It goes into many of life's lessons without being too preachy. Just enough humour that you want to keep reading. I have read many devotionals but this at the top of my list.

HUMOR, HOPE ENCOURAGEMENT... SNIPPETS OF A CHRISTIAN NANA IS A BOOK REVOLVING AROUND HUMOR, HOPE, AND ENCOURAGEMENT. I CANNOT IMAGINE ONE DAY WITHOUT THESE NECESSARY STAPLES OF LIFE. GOING BACK AS A YOUNG CHRISTIAN, MILITARY WIFE AND MOTHER, I HAVE BEEN BLESSED WITH EMBARRASSING, UNCOMFORTABLE AND HUMBLING MOMENTS. GOD HAS SHOWN ME IN HIS MERCY AND GRACE, HE CAN TRANSFORM MANY MISTAKES AND FLAWS THROUGH THE GIFT OF LAUGHTER. WHENEVER I START TO FEEL THE PRESENCE OF FEAR, WORRY, OR BITTERNESS, I CHECK MY SPIRITUAL GAUGE. HAVE I LAUGHED TODAY? HAVE I GIVEN HOPE OR ENCOURAGEMENT TO SOMEONE IN NEED? LET'S BEGIN.
