In the land of beer, cheese, and muskies—where the polka is danced and winter is unending and where Lutherans and Catholics predominate—everybody is ethnic, the politics are clean, and the humor is plentiful. This collection includes jokes, humorous anecdotes, and tall tales from ethnic groups (Woodland Indians, French, Cornish, Germans, Irish, Scandinavians, Finns, and Poles) and working folk (loggers, miners, farmers, townsfolk, hunters, and fishers). Dig into the rich cultural context supplied by the notes and photographs, or just laugh at the hundreds of jokes gathered at small-town cafes, farm tables, job sites, and church suppers. This second edition includes an afterword and indexes of motifs and tale types.

Teske, *Minnesota History* "Leary conveys a palpable sense of the original joke telling experience."—Clyde Wade, *Humor: International Journal of Humor Research* "A funny book, but no mere joke book."—*The Country Today* From the Back Cover "A treasure trove of 'occupational humor' that's often slightly racy and usually shot through with a blunt appreciation of the peculiar ways of the Midwestern world."—Tom Laskin, *Isthmus* "Leary conveys a palpable sense of the original joke telling experience."—Clyde Wade, *Humor: International Journal of Humor Research* About the Author James P.
