Amy Epstein Feldman, Robin Epstein : So Sue Me, Jackass!: Avoiding Legal Pitfalls that Can Come Back to Bite You at Work, at Home, and at Play before purchasing it in order to gauge whether or not it would be worth my time, and all praised So Sue Me, Jackass!: Avoiding Legal Pitfalls that Can Come Back to Bite You at Work, at Home, and at Play:

3 of 3 people found the following review helpful. Indispensable -- and funnyBy J. WiseAnything involving the law typically makes my eyes glaze over. But as this book makes all too clear, we live in a world where we're constantly a step away from getting embroiled in legal doo-doo whether we like it or not. Questions like: "Can my ex legally post nude pictures of me on the internet?" and "Can my boss fire me for putting on weight?" are best considered before they happen. I wound up reading the book in two days -- each of the many briefly related topics is both potentially useful and very engagingly written.1 of 1 people found the following review helpful. Law 101By James A.

MacKeownIf you've been blessed with a life that has NEVER brushed you against the real world of US Law then you need to get this book and read it! The stories are about everyday events and how folks try to deal with them (or not) using the US legal system!I laughed so hard I almost cried! Sadly I've been were some of the cases sighted went, and it was fun (at this time in my life) to be able to look back and LAUGH for the first time at both myself and the messes!A must read even if you don't give two toots about the law!2 of 2 people found the following review helpful. Very engagingBy Sharon BenvenesteI am enjoying this book. Written with lots of humor on real law issues. Very easy read--before you know it you've read 40 pages. I usually read fiction, but this has been a delightful heads up to real-life issues. I am surprised by the unusual lawsuits which are happening out there.The authors have discovered how to bring the legal world to non-lawyers in an oft times humorous and interesting book. I recommend it to all who like to laugh while learning.

Read Amy Epstein Feldman and Robin Epstein's posts on the Penguin BlogThe next best thing to having a lawyer in the family. Can you win monetary damages for bad sex? Can you get fired for being too fat? Can you sign your mother-in-law into a nursing home against her will? For anyone who's ever had a legal question that seemed too odd or embarrassing to seek counsel, *So Sue Me, Jackass!* is a surprising and entertaining collection of factual and funny QAs that combines engaging wit and sensible legal advice. Attorney Amy Epstein Feldman and her sister, humor writer Robin Epstein address a wide range of legal issues encountered in daily life, including jobs, relationships, home, family, pets (yes, pets), privacy, and death—and they relate outrageous anecdotes of laugh-out-loud legal fiascos. *So Sue Me, Jackass!* may not keep you out of litigation—but it will keep you in stitches.

This informative, hilarious guide to the law will steer you through everything from on-line porn on the job to common-law marriage... --Ron KubyThe new book *So Sue Me, Jackass!* is a valuable guide not just for the transitional periods of your life, but for the moments when you feel caught up by the system. --Double X*So Sue Me, Jackass!* is a go-to resource for anyone too shy to ask the most basic legal questions -- and some of the more outlandish ones too. --FlavorpillAbout the AuthorAmy Epstein Feldman, Esq., is a nationally syndicated legal correspondent on radio and television.
