3 of 3 people found the following review helpful. Love the designsBy Sue J. MyersLove the designs! You can make them fancy or just have fun depending on your mood. One of the best coloring books I've found and I have a lot of them.3 of 3 people found the following review helpful. Beautiful book. I love that it comes with a ...By Marti PascualBeautiful book. I love that it comes with a good variety of pictures. Some more detailed, some less and everything from trees to mermaids, from flowers to a turtle. Very reasonable price too.1 of 1 people found the following review helpful. Awesome designs! Great idea to have a Facebook page for everyone to share their finished pictures!By DEIK5Great variation in designs! Cool that you can use #SoYouLikeToColor to share your finished pictures with others on Instagram and Facebook - and see how they colored them as well. Visit the official page too [...] to see some of the designs or share your pics!

"...So You Like to Color"TM Join the millions of “young at heart” adults who have rediscovered the childhood pastime of coloring. The joy of bringing a black and white picture to life has taken on an adult twist and reignited the passion of a child’s first artistic endeavor. The beauty of creating artwork is more than just that. It has been proven that coloring can be an alternative to meditation, allowing the artist to switch off the anxieties of everyday life and focus on the movement of the marker or pencil on paper. The benefits to coloring can change your outlook on life. And, you can have fun while doing it! So grab your colored pencils and get started. There are no boundaries for your personal expression—let it go where it takes you!
