So you've got a fat pussyBy Loa C. LovelyThis book is hilarious!!!! I am trying to find used editions to give to my friends that are always complaining about being fat. It has so many funny double meanings that can be taken for a cat or a "pussy", and is always in good taste. This must have had several authors that were brain storming. I belly laugh every time I read it again and the drawing are GREAT!!0 of 2 people found the following review helpful. Five StarsBy AllergicCatLoverOne of the funniest cat books ever written.
