Mr Seamus Kane : So You Want to be Funny(er): A Tongue in Cheek look at the Science of Humour before purchasing it in order to gauge whether or not it would be worth my time, and all praised So You Want to be Funny(er): A Tongue in Cheek look at the Science of Humour:

0 of 0 people found the following review helpful. Good primer for humor By Michele drier In this short book, Belfast author Seamus Kane takes the reader through a variety of comic set-ups including Exaggeration, Irony, Transposition,

Cause and Effect and my personal favorite, Word Play (I'm a sucker for puns, the lowest kind of humor!) I was a bit lost with the language, though. As an American, I'm not sure I fully understood the British (Irish) language and humor, but a good basic primer on written jokes and gags. 0 of 0 people found the following review helpful. There's a funny side to everything! By Cocobelle What a funny little gem this book is! Whether your a comedy writer, or someone who simply enjoys a giggle, this is the book for you! It's pages will inform you of the different forms of comedy and how to approach writing them, should you wish. A rare source of true comedic inspiration, with giggles, gags and writerly tips aplenty! 0 of 0 people found the following review helpful. If you're interested into reading something very funny, interesting and creative By Stacy Lambert If you're interested into reading something very funny, interesting and creative, this is the perfect book for you and your friends. I just loved the title right off the top, which is So You Want To Be Funny and i think that the book represents comedy in a right way and it's completely written for any kinds of ages.

I have done something naughty. I have tried to dissect and analyze humour. yes, I know, you might say, that's impossible. Humour is not definable otherwise everyone would be funny. Making people laugh is the most difficult thing on earth (after trying to get an accountant to buy a round of drinks) and so I thought I'd try to help people who are comedically challenged. Have i succeeded? Well, you'll only find out by making me a little richer. So please, help me get a foot on the Monte Carlo property ladder by buying my book.

About the Author Seamus Kane was rugged and tugged (from the Gaelic) in Northern Ireland. He grew up in an environment where sports, academical achievement and the arts were held equally in low regard. Despite this, he has written children's stories and thrillers, influenced by his early experiences and world travels. He is hoping that this book will not be the Greatest Story never sold.
