Success, motivation, and teamwork are the goals of the guys on the top for those of us pretending to work away at the bottom. Now you can get the inside poop on the secret plots of upper management with *Soar above the Madness: Surviving Office Politics Without Losing Your Mind, Your Job, or Your Lunch*. Responsibility - Why stick your neck out when you can stick your head in? Communication - Speak softly and carry a big bag of excuses. Teamwork - In the office body, there are many armpits. Service - "Start each day with a smile - and get it over with." - W.C. Fields. Priorities - Feather your own nest while others around you are molting. Productivity - Anything worth not having is worth not working for. Success - After clawing your way to the top, get used to your new title: #1 Lightning Rod. A full-color book of inside secrets such as how to interpret your boss's actions and the top ten never-fail methods for shifting blame, *Soar above the Madness* gives new meaning to the phrase "surviving the workplace."
