Lee Bercegeay : Sofa Dogs before purchasing it in order to gage whether or not it would be worth my time, and all praised Sofa Dogs:

By Patricia Reilly Hague Having wet myself, fallen off chairs, and choked with laughter, you may find it strange that I am giving this book 5 stars! The reason is that I have had the great joy of seeing "Sofa Dogs" cartoons on Facebook! You just can't stop at one! Also, I, too, am owned by an imperious Golden Retriever and I have often detected sarcastic thought bubbles floating above his head! 'Just a minute was over an hour ago'; 'This won't hurt'; 'Dogs can too drive! Get a Subaru!', and 'I may be spayed but I can still try'! Put this book where you can reach it daily, along with your vitamins...
