Luck? Skill? Or Just Stupidly? (Can We Ever Tell) is the fourth book in a series of family-style outdoor tales written by a retired Michigan game warden. Sgt. John A. Walker wanted to start a scholarship program so he wrote his first book titled, A Deer Gets Revenge, followed by A Bucket of Bones, and From The Land Where BIG Fish Live. In the first few years these books were out Sgt. Walker had to self-publish over 30,000 books. One of the most amazing things is how these books have opened the opportunity for Sgt. Walker to speak at banquets and seminars on the family values of hunting and fishing.
