Written for 17 intellectuals, not for 100 million limerick lovers. Move on - nothing to see here.5 of 5 people found the following review helpful. Some Limericks!!By DDPThis is a terrific find....academic erotica, with an intro by Fry!! The book is a paperback in wonderful condition--a true cult classic!0 of 3 people found the following review helpful. Five StarsBy Alan RichrodGood condition. Just as described. Good source.

A delightful collection from the Golden Era of Limericks - The Victorian Age.
