Doogie Horner : Some Very Interesting Cats Perhaps You Weren't Aware Of before purchasing it in order to gage whether or not it would be worth my time, and all praised Some Very Interesting Cats Perhaps You Weren't Aware Of:

1 of 1 people found the following review helpful. Delightful for children and adults.By Med StudentI love this, delightfully fun. Excellent and colorful pictures. It's fun for children and for adults, who may appreciate some of the darker and more subtle humor. I'm currently setting it as a fun and easy bathroom-book, for the, um, longer toiletry needs.1 of 1 people found the following review helpful. Liked it so much bought 2By A.ditIn the event my husband and I break up I wanted an extra copy so we don't have to fight over who gets custody. All joking aside -Great book for yourself or a gift. I enjoyed each cat more than the next. All are unique and is expertly drawn. You'll laugh out loud and giggle during your read.0 of 0 people found the following review helpful. Five StarsBy Nathan L. IrvinA delightful book

A completely original and funny new take on cats. Doogie Horner, a writer and illustrator, knows just what it is about cats that so obsesses and delights us—their impenetrable personalities, their self-contained quiriness, the aura of mystery that makes it seem as if they're always up to something that they don't want us to know about. So he imagines their secret lives for us, in a way that takes the most surprising and whimsical turns. With full-color illustrations and absurdly funny short stories, *Some Very Interesting Cats Perhaps You Weren't Aware Of* is a gallery of 100 impossible cat characters. Like the Alien cat, Xort, who reports back to his planet: "Have trained my humans to feed and pet me. They suspect nothing." Or the Mountain Climber cat, Snowball, who is planning a perilous route up the North Curtain to Mt. Bookcase. Or Mystico, the Magician cat—no one could figure out how he sawed a dog in half. (The answer was simple: He didn't like dogs.) And Hjalmar, the Viking cat, whose motto is "Pillage. Tuna. Plunder. Nap."

From the Back Cover If, like most humans, your experience with felines is limited to the typical house cat, prepare for an eye-opening read. Here you will meet cats who are truly interesting: The Amazing Vespucci Brothers, high-flying acrobats extraordinaire; Mystico, the magician and his multiplying mice; Snowball, the mountain climber who is about to make a perilous ascent up the North Curtain to Mt. Bookcase; Riggs, the undercover detective who's been embedded with a dog pack so long he's begun to like the taste of Milk-Bones. And many more!
