had expected it to equal or exceed *Being Dead Is No Excuse*. *Somebody Is Going to Die* has a few good laughs and recipes but not like *Being Dead*. It left me with the impression that the author had waited too late to make deadline and had tried to use the same format as *Being Dead*. It didn't work. I was so disappointed as *Being Dead is No Excuse* made me laugh until I cried throughout the book. Even though I'm vegetarian, I loved so many of the recipes that I have markers on numerous pages of *Being Dead* and have it filed with my cookbooks. 0 of 0 people found the following review helpful. One Star By JWTexas This book had four town pages when I received. Also, not well written. 2 of 2 people found the following review helpful. Funny and useful By UKWildcatMom My mother gave me this book as a gift and I ordered one for my daughter's future mother in law because both of her sons are getting married within the next year and she herself was a delta bride. In addition to the hilarity, the book is full of wonderful recipes! If you are a southerner you will get it (because you've probably lived it at some point) and if you are not, you'll laugh anyway!

Even if you've never attended a wedding in the South, you'll find laughter in the pages of this deliciously entertaining slice of Southern life and love, complete with recipes, advice, and a huge dose of that famous charm "In the Mississippi Delta, funerals bring out the best in people, while weddings, which are supposed to be happy occasions, bring out the worst." So say Gayden Metcalfe and Charlotte Hays, authors of the bestseller *Being Dead Is No Excuse: The Official Southern Ladies Guide to Hosting the Perfect Funeral*, who turn their keen eyes and sharp wit from the end of the life cycle to the all-important midpoint. For anyone planning, participating in, or attending a wedding (Southern or not), this book will amuse, entertain, and provide advice for marital bliss, including:--It's OK to peek at an etiquette book, but if you rely too heavily on it, people will think that you are not fully acquainted with what is right and wrong.-- Anything that was not done in the past doesn't need to be done now -- consider this before ordering a groom's cake, especially one featuring a fishing-tackle or golfing theme.

". . . if you are a Southerner, you will laugh until the tears come." -- Washington Post "Exposes the culinary and cultural last rites of the deep South . . . sidesplitting as it is politically incorrect . . ." -- Publishers Weekly [starred review] About the Author Gayden Metcalfe is a lifelong Southerner and founder of the Greenville Arts Council. She lives in Greenville, Mississippi, with her husband, Harley Metcalfe III. Charlotte Hays is a Delta native and recovering gossip columnist living in Washington, D.C.
