Nan Lyons : Someone is Killing the Great Chefs of America before purchasing it in order to gauge whether or not it would be worth my time, and all praised Someone is Killing the Great Chefs of America:

1 of 1 people found the following review helpful. Okay! By Semper Fi! What can I say that the title does not tell you. It is a simple plot line which is enjoyable because it is simple. Very easy to read and it will not take the reader long to finish the book. There is not a whole lot happening so I do not want to give out any important details since there were not too many. But again it was still fun.

Just after Switzerland's Enstein Clinic releases formerly obese murderer Achille van Golk, culinary sleuths Natasha O'Brien and Millie Ogden once again set out on the trail of a serial chef killer--this time stalking American cooking experts. Nan Lyons has been a food and travel writer for over twenty years, contributing to *Bon Appétit*, *Travel + Leisure*, *More*, *Hamptons*, *L'*official *New York Newsday*, as well as creating the *Fielding's Agenda* series and the *Access Walking guides*. In collaboration with her husband Ivan, she wrote the first novel with a food background, "Someone is Killing the Great Chefs of Europe" which was then made into a major motion picture. They went on to write four other novels as well as scores of articles on food and travel. She has just finished her newest book, "Around the World in 80 Meals" (Red Rock Press) was published in late 2010. Nan has most recently been made Associate Editor for "Let's Travel" a new website which features interviews as well as podcasts and articles on every aspect of travel. Her particular expertise is focused on restaurants, shopping and luxury hotels. "This delectable, high-energy

sequel to *Someone Is Killing the Great Chefs of Europe* finds gorgeous, svelte, Valentino-clad pastry chef Natasha O'Brien back in the States, now promoting American regional cooking. With her mad mentor and would-be murderer, the obese food critic Achille van Golk, buried in a Swiss cemetery, Natasha prepares to launch *American Cuisine* magazine, while taking gigs as chef for the new occupants of the White House and organizing the upcoming Culinary Olympics in Paris. But readers know from the outset that Achille is alive, transformed in body and spirit into trim Alec Gordon, who lands a job at *American Cuisine*. While various high-profile chefs in Dallas, L.A. and New York are gruesomely bumped off (barbecued, roasted and poached, respectively), Natasha dispels her growing anxiety in high-spirited sex with assorted partners, including her ex-husband, food conglomerate king Maximillian Ogden. This binge of foodie name-dropping, laced with one-liners (a bitchy critic accuses a new chef in L.A. of Pucking around with the pizza'), culminates in a frenzy of culinary excess in Paris. Alec's struggles to repress the appetites of his former self will strike a chord in any reader who has ever battled a craving. The calories in this cream-puff entertainment may be empty, but they are undeniably delicious."-Publishers Weekly © PWxyz, LLC. All rights reserved. "For those moments when you wanted to kill. The kiwi risotto...the conch sorbet. Vengeance a la carte!"-Gael Greene, *New York Magazine* "Brainlessly brilliant...the authors dream up comic dishes with zest and relish..."-Kirkus Reviews
