Can definitely see my cats thinking and saying the same things if they could talk lol. Recommend all of them. Just don't worry about the strange looks people will give you when you start laughing out loud!!0 of 0 people found the following review helpful. Told from a cat's perspective, this is a funny book but probably more truth than fiction.By Piano GirlI especially liked the photos which added to the humor and fit the letters from kitties. Having been a cat owner or should I say renter, there was a lot of truth in the book.0 of 0 people found the following review helpful. They are great! The cat lover/recipient really enjoyed them tooBy Brittany RobertsI purchased this book as a gift for a cat lover. When it arrived, I read a few of the passages and was dying laughing. They are great! The cat lover/recipient really enjoyed them too! This book would be great for the coffee table when visitors come over!

The cat's answer to Sorry I Pooped in Your Shoe, Sorry I Barfed on Your Bed is a hilarious collection of full-color photos and letters of excuses and suggestions from cats to the people who love them—no matter what bad thing

they've done! Inside *Sorry I Barfed on Your Bed*, writer and comedian Jeremy Greenberg presents a collection of laugh-out-loud letters and photographs that offer a cat's eye view on common feline vs. human cohabitation conundrums. It's the perfect gift for crazy cat lovers and anyone who appreciates hilarious (and so true!) insights into cat—and human—nature, including: Your cat sits on your laptop not just for warmth or attention, but to prevent you from interacting with the outside world. After all, isn't the main reason to have a cat so you don't have to waste time developing normal human relationships? If you spent a third of your life licking yourself, you too would occasionally forget to stick your tongue back in your face. Eating grass has medicinal purposes, and most cats believe grass should be legalized. The cat feels bad about barfing on your bed...because now it must get to up to go sleep on your clean laundry instead.
