Great fun! I have a friend from the UK and I can relate to so many characteristics. One, I found hysterical is a quip about being British means when you worry about your luggage getting through customs because of your tea. Her luggage often doesn't make it to her final destination here in New Mexico and she swears it is the tea! These are short quips grouped in topics that help one understand British unique mannerism and characteristic in a humorous format. Great fun for someone from Britain as well. Mine you - I don't bring them up to my friend when I notice a matching quip. Includes simply drawn diagrams.

Very good book about our neighbors across the pond... The Brits. Very amusing book about the habits, sometimes odd behavior, and their general day-to-day weirdness. A great fun read.

They're just across the pond but they're a strange bunch. Explore the oddities of the British psyche with this witty illustrated book. A perfect companion to British behavior, get to grips with everything from small-talk to superiority, from "the stiff upper lip" to hooliganism, from cricket to condiments, and curry to class. This hilarious A-Z guide will take you through the realm of all that's British – its culture, its institutions, its humor, and its people. Ben Crystal has worked in tv, film and theatre. He is author of several books on Shakespeare for Penguin. Adam Russ is an actor and writer who lives in London. Ed McLachlan's is an acclaimed British cartoonist.
