ChanelI have all Jeremy 's cats dogs books and they are delightfully funny, he finds the humor in each photo, but each photo is also a laugh in itself :)They make great little books to leave in the guest rooms (next to the mints)Cant wait for the next one!!0 of 0 people found the following review helpful. Will make you laugh out loud!!By KJ NolanI totally love these books written by Jeremy. Can definitely see my cats thinking and saying the same things if they could talk lol. Recommend all of them. Just don't worry about the strange looks people will give you when you start laughing out loud!!0 of 0 people found the following review helpful. They are great! The cat lover/recipient really enjoyed them tooBy Brittany RobertsI purchased this book as a gift for a cat lover. When it arrived, I read a few of the passages and was dying laughing. They are great! The cat lover/recipient really enjoyed them too! This book would be great for the coffee table when visitors come over!

It's not you. It's meow. Your cat likes you, but does she like-like you? *Sorry I Slept on Your Face* gives it to you straight—straight from kitties to their loyal owners in the form of very personal—and hilarious—breakup letters paired with adorable and sweet photographs. What does it mean when your cat bites your toes as hard as she can? When she suffocates you with her body, is she just getting comfortable or is she trying to tell you she needs more space? In *Sorry I Slept on Your Face*, cats, in all their superiority, break up with their owners through sorry/not sorry letters illustrated with cute, funny, sweet photographs. This book will make you laugh and make you ponder your relationship with your own cat.
