0 of 0 people found the following review helpful. nice but not good enough now a days...By Andres HernandezHas a few helpful ideas, but most of the paperwork looks phony and unprofessional and where I live officers may not take seriously, to much hippie hippie great fun dead not enough cold hard slam in your face 'I'm Free' documents with a more professional approach... I recommend the packet I now have ordered from Freedom from government, comes

with license plates, constitutional id's, handbook, much more an the approach and appearance of the paperwork is very professional, good luck!0 of 0 people found the following review helpful. not a good dealBy CustomerAll cutt outs. Not what I was expecting for the expense price. Unsatisfied! Wish it would've had a better description.0 of 0 people found the following review helpful. Great educational resource!By Jackie FreegrllI love this book. It's totally cool and gave me a perspective on what it takes to keep the cops out of my stuff.
