Problem is that as amazing as cats in space are, it's pretty hard to find décor and party items with that theme. Sooooo....I made them! One of the most useful and amazing products I found for my birthday décor crafts was this calendar. It is standard wall calendar size so the pictures are nice and big and the paper and picture quality is excellent. When I received it, it was so amazing that I was actually hesitant to cut it up, but fortunately we were able to salvage some of the decorations after the party and they are now hanging gloriously in her room. I am thankful for this product's amazingness and also for the fact that it saved me a trip to the copy store to print and blow up the crappy quality space cat pics I found online. Amazing and versatile product! A must have for the millions of space cat enthusiasts of the world! 4 of 4 people found the following review helpful.
