**Nikki Burnette : Spellbinding Images: A Fantasy Coloring Book Collection: Volumes 1, 2, 3 4** before purchasing it in order to gage whether or not it would be worth my time, and all praised Spellbinding Images: A Fantasy Coloring Book Collection: Volumes 1, 2, 3 4:

4 of 4 people found the following review helpful. 80 Fantasy Designs – Volumes 1, 2, 3, and 4 combined in one new book – printed one side of the pageBy iiiireader[[VIDEOID:6d91c7ca4240c3eec1f7fd0d26e54754]]I own a couple of grayscale coloring books by Nikki Burnette but had not purchased any of her regular line drawing coloring books. When I saw that she had put together a coloring book which included all four volumes of her first four books, I decided that it would be a good time and a great value to purchase it.The drawings are familiar to me as the grayscale

is based on the same figures. It is quite fun to color some of the same images and there are certainly so many more that I have not yet seen. The drawings are a mix of detailed and more simple drawings. That provides a good change of pace while I am coloring. The detailed drawings have backgrounds and lots of elements where the more simple drawings are of the fantasy female by herself. This is what I found while coloring in this book and testing the paper with my coloring medium: 80 Female Fantasy Line Drawing Designs, including witches, fairies and mermaids. Printed one side of the page. Paper is type of CreateSpace paper: thin, white, slightly rough, and non-perforated. Glue Bound. Designs do not merge into the binding and designs have a framing line at the outer edge for a natural stopping point. There is plenty of room to cut pages out if you choose to do so. Alcohol-based markers bleed through the paper. Water-based markers bleed through in spots. Gel pens and India ink pens leave colorful shadows on the back of the page. India ink pens can seep through in spots if used heavily or in multiple coats. Colored pencils worked nicely with this thin but slightly rough paper. I tested both oil and wax based pencils and got good color with multiple layers of the same color, good results from layers of different colors and nice blending results using a blending stick. Hard lead pencils easily dent through the page and can damage the page below. I use a blotter page of card stock or a couple of sheets of heavier weight paper under my working page. It keeps seeping ink and marring dents from ruining the pages below.

2 of 2 people found the following review helpful. Great book  
By George Bryant Love that I got this book. Very good value for the money. Paper quality is fantastic and images are great. Love books that are single sided and of course who could pass up a 4 in 1 book huge savings.

0 of 0 people found the following review helpful. Absolutely LOVE all of her Adult Coloring books, can't wait until she releases more!!!  
By Shayne Absolutely LOVE these adult coloring books!!! Perfect for beginners, or advanced as I add a lot of shading extra details. I love using prisma color colored pencils, gel pens, markers pastels. Even my friends are amazed delighted by these wonderful designs! I love bought all of her coloring books I really look forward to purchasing more!

4 Coloring Books in 1!!! 80 Fantasy Images to Color!! Great Value!!! This book combines 4 previously published best selling coloring books by fantasy artist Nikki Burnette: Spellbinding Images: A Fantasy Coloring Book of Witches (Volume 1) Spellbinding Images: A Fantasy Coloring Book (Volume 2) Spellbinding Images: A Fantasy Coloring Book (Volume 3) Spellbinding Images: A Fantasy Coloring Book (Volume 4) \*\*Volumes 2, 3 and 4 are a mix of fantasy images (witches, fairies, mermaids, steampunk vampires and more!) Volume 1 includes only witch images. These coloring pages are adapted from Nikki's original watercolor paintings and range from simple to more complex, so whether you are just a beginner or a more advanced colorist, there is something for you. The simple pages allow you to just relax and enjoy coloring without getting overwhelmed with too many details. Attempt the more intricate images with detailed backgrounds when you're feeling up to a challenge. For more advanced colorists, consider experimenting with shading or adding your own backgrounds to add an extra level of difficulty. The coloring is what brings the black and white lines to life! Pages measure 8.5x11", are single sided and depict beautiful fairies, graceful mermaids, seductive vampires, entrancing witches and more ready for you to color! \*\*Please note: These are traditional black and white line art coloring pages NOT grayscale. For all of Nikki's coloring book offerings, please see her author page by clicking her name at the top of this listing.
