THE PICTURES ARE SO DIFFERENT FROM ALL IVE DONE, BUT THEY ARE ABSOLUTELY GORGEOUS! IVE GOT TO ORDER 3 MORE OF THESE BOOKS FOR MY SISTERS. THEY WILL LOVE THEM TOO. A VERY HIGH QUALITY BOOK. PICTURES PRINTED ON ONE SIDE AND HEAVY PAPER.9 of 9 people found the following review helpful. "Spirit Women" Raises My SpiritsBy Book-gobblerThis is the third in a group of coloring books by Cristina McAllister and i am hoping she is working on number 4. The drawings are very beautiful and I find that they do not have some of the really teeny spaces to color that other artists seem to include. I am a "Golden Ager" and coloring really small spaces is difficult for me. I also like that,

because the pictures are all fantasy--I can use a vast array of colors and expand my own imagination in them. The adult coloring book craze is just perfect for me as I have a lot of hours in the day with nothing to do--and coloring is a happy way to spend that time. 6 of 6 people found the following review helpful. Nice drawings By JI Welch My only complaint about this book is that it is printed on a semi smooth/ glossy feel paper that has no tooth to it so I find that when I blend colors after awhile the layers start to come off. If you go over too much the paper will rip. I am using high quality artist pencils so, this should not happen. It's a little frustrating because the drawings are very beautiful and it's a fun way for an artist to practice technique. Below I've included a picture of a work in progress.

<https://www.youtube.com/watch?v=Tfl53oSMNOc> Enter a mystical world of fantastic characters, meditative designs and imaginative beauty. Explore the many moods and aspects of the feminine spirit; nurturing, wise, fierce, playful, alluring, vulnerable, powerful, and more. In this volume, Cristina McAllister presents 30 original coloring pages featuring a variety of intriguing and magical characters, decorative designs and meditative mandalas. The intricate artwork, captivating details and lush compositions offer rich opportunities for creative color work. The one-sided art pages are accompanied by descriptions of the artwork, inspiration ideas and coloring suggestions from the artist.

About the Author The artwork in this book combines many of my favorite things to draw: fantasy art, beautiful women, decorative design, mandalas and Art Nouveau motifs, animal and floral forms, characters and costume design and symbolic elements. I let my imagination run wild, striving to create expressive characters, empowering themes, intriguing details and plenty of opportunity for creative color choices.
