No download and no print for coloring. What good are they to Kindle owners...None.Oh Goody...more of those folded paper snowflakes our children/grandchildren first cut out when small. Seems to be the stock samples for these spirograph coloring books. Don't recommend based on these same undecorated designs.When we buy coloring books in stores we can look inside and see of we like the designs and check for any designs we already have. WHY Not On ??0 of 0 people found the following review helpful. Good clean funBy HopeGreat free coloring book. I ran across this when looking for adult

coloring books. With it being a kindle book it has a download link in it so I can print out the hard copies to color. I love all of the details to color. It will keep me busy for hours on end.0 of 0 people found the following review helpful. Great stress reducerBy Linda VLots of fun coloring here. Some really detailed pages to while away the time.

**IMPORTANT** - EBOOK edition of this book is an **ART BOOK** and not used for coloring on the device. The eBook is a preview providing useful content on the benefits of coloring for both children and adults, also showing the brilliant designs available in the physical copy of the book. A **BONUS** link in the book lets you download books with high quality coloring book PDF pages with dozens of illustrations that readers can **PRINT**. The download is optional, it is not the main function or purpose of this ebook - **PRINT REPLICA**. Do you want your child to have fun with math? Give him/her this spirograph coloring book and he/she will have a blast! Composed of curves and interlocking shapes, the spirograph is quite a challenging figure to color. Coloring these will bring about a heightened sense of self awareness, which ultimately leads to several therapeutic effects. Don't forget to grab a copy today!
