"Ron" : St.Gargoyle's Calendar 2009 before purchasing it in order to gage whether or not it would be worth my time, and all praised St.Gargoyle's Calendar 2009:

Takes a look at the state of the church. This book contains a cartoon for each month which covers topics from the building of Stonehenge in 1500BC, through the tenth century Viking invasions, the Puritans, the Oxford Movement, Victorian church restoration, up to the Alpha courses.

About the AuthorRon is a real-life parish priest, and after many years in deepest Dorset moved recently to the Home Counties where he currently serves a group of parishes nestling in the North Downs.
