**Ron Wood : St. Gargoyles Calendar 2011** before purchasing it in order to gauge whether or not it would be worth my time, and all praised St. Gargoyles Calendar 2011:

The Church Times cartoonist, humour writer and parish priest RON casts his eye over the foibles and eccentricities of the Church of England's zaniest parish, St Gargoyles. It may all seem beyond belief, but everything that happens in Ron's cartoons is based on a real life person or a real event in a real church somewhere. Each wire-o-bound calendar comes complete with a card envelope.

About the Author Ron is a real-life parish priest, and after many years in deepest Dorset moved recently to the Home Counties where he currently serves a group of parishes nestling in the North Downs.
