0 of 0 people found the following review helpful. I was Amazed!By CustomerAn awesome collection of colorable Art Mazes by Maze Artist MSG. These aren't your common run of the mill mazes, these are intricate works of art that invite the viewer to scan and search the landscape for faces, creatures, animals, buildings and more to color, all while doubling as a solvable maze. If you are a fan of solvable mazes, adult coloring books, abstract art, illustration, black and white drawings and contemporary art, you will love this book!1 of 1 people found the following review helpful. What a great gift!By CustomerI received this book as a gift and what a funky, creative artistic gift it is! How the author can draw such detailed intricate mazes is beyond me. What a gift he has. I might even try to solve the mazes.

Do you love Mazes? Puzzles? Brain teasers? Abstract Art? Well then you need a copy of START! Start! is the Interactive Artist Book from Mark Stuart Gagnon that combines Intricate Art with the Interactive challenge of a

Solvable Abstract Maze. Grab some colored pencils, and START! your own interactive adventure today! Mark's ArtMazes have been compared to Keith Haring, Salvador Dali, and Pablo Picasso. To find all the Starts and Finishes for the mazes in START! head over to TheArtistMSG.com or <https://www.facebook.com/theartistmsg/> and remember: "Sometimes the hardest part, isn't finding the end, it's finding the START!" About the Author Mark Stuart Gagnon is an artist working in Acrylic and Fine Ink. He has been creating Solvable Abstract Mazes since the year 2000, and has recently completed a 100' long maze which he hopes will secure him a spot in the Guinness Book of World Records for The World's Largest Hand Drawn Maze. START! is Mark's first widely available collection of his mazes, and he hopes you will undertake the challenge of solving one, two, or all of the mazes in this book! And remember, "If you get stuck, you can always take a break and color!" Visit Mark @ MSGisgoodforyou.com for more information.
