first read it 20+ years ago and the comedy still holds up. If you're looking for a good guide to the U.S., look elsewhere. If you're looking to laugh, here you go. 0 of 0 people found the following review helpful. Greatest book of all time By Lucas By far the greatest book in the world (sorry bible). A must have for any travelers. 0 of 0 people found the following review helpful. Hard to find, pretty good By Theodore J. Duffy Not as funny as the show itself, but this book, while hard to find, still shows the wit of the cast of the show. I also suggest their comedy CD, which took years to get released. Like this, it's not as good as the show, but still quite good.

From a popular comedy troupe that found fame with a stint on MTV comes for the first time a printed version of its irreverent, topical, and odd-ball humor in the form of a mock travel guide covering all fifty states in America.
