This is the one book every married couple needs on the bedside table! Whether it's a question of restoring that honeymoon lust, fanning the flames of passion, or just making sure things stay as good as they are, here are the top ten

secrets for keeping a relationship hot. Redbook readers and leading sex experts weigh in with amazingly candid suggestions. Their ideas range from the sweetly sensual (making out like teens in the car) to the coolly kinky (an X-rated night in a hotel), with advice on driving your mate wild, asking for (and getting) what you want, and overcoming inhibitions. But one thing they all agree on: the sexual sizzle can last forever!
